Subject: IAP

Attached is the Incident Action Plan (IAP) for the operational period of 1/7/17 to 1/18/17. Should you see any revisions that need to be made, please bring them to my attention and I will revise the document. The attachment does not contain the additional SDS that was discussed. I know you all have been in the field so forward the document if applicable and I will incorporate it into the IAP.

I saved this in a reduced size format because it was close to 10 MB. Let me know if you have any difficulties opening the file.

Appreciate your assistance with revising the information!
